Lesson 5

Main Point:

God Made Me To Praise!

Bible Story:

David bringing the ark to Jerusalem and his song of praise - 1 Chronicles 15:16-16:36

Bible Verse:

“When God created human beings, he made them to be like himself.”

Genesis 5:1b (NLT)

Family Activity

David and the people praised God with instruments, singing, shouting, and offerings. They gave their best as an act of worship to God. God is worthy of our worship, and we can praise Him in different ways. Because of who God is and everything He has done, we know that He is the only one worthy of our praise.

Plan a special family time of worship one night this week. Have family members come to the night ready to share something as an act of worship. They could play an instrument or sing a special song. They could write a special poem and read it during the worship time. Whatever each family member chooses to do, they should each do it to the best of their ability. Help your children make their own act for worship. They could share a special piece of artwork that they created or clap while the family sings together. Encourage your children to praise God through prayer, reading their Bibles, singing, telling others about Him, and always giving their very best.
