## FRESH FACT #998

3 different falls make up what we call "Niagara Falls": The Canadian Horseshoe Falls, The American Falls and the Bridal Veil Falls.

Circle which of the following prayers you should pray. We can pray different prayers when we are in the middle of problems.

"Lord, get me out of this problem!"

"Lord, my family is going through a rough time right now. Please give my parents wisdom to know how to handle it."

"God, my little brother is really causing me problems. Please turn him into a bug so I can squish him without getting in trouble."

"Lord, I'm having a hard time in Math. Let my teacher get sick so we won't have that test tomorrow."

"God, even though things are very difficult right now, help me to have a good attitude and be a good example to my friends."
