

live it

David was willing to give his heart, his life completely to God. He didn't hold back anything. If we are to have a heart after God, we've got to **LET GO**.

LET GO stands for: **L**iving **E**very day **T**otally as **G**od's **O**wn. Are you willing to let go? Are you willing to give your life completely to God?

Write a prayer that expresses **YOUR HEART** for God. Place the prayer where you will find it at the beginning of each day. Take time each morning to revisit what you've written and as you pray, ask God to give you a heart after Him.

God doesn't look at what people look like on the outside.
He looks at their hearts.

Have someone read **1 Samuel 16:6-13** to you.

Close your eyes and imagine **YOU** are David out in a field. It is quiet. All you can hear is the sound of the sheep around you. Then off in the distance, you hear someone running. You look up and it is one of your brothers. They never run out to see you. Something has happened! Is it good or bad? The brother told David the prophet Samuel was there and requested to see him. **IMAGINE** the questions David had. "Why would Samuel want to see me? Am I in trouble?" As David arrived he saw his brothers and his father, all gathered together. "What in the world is going on?" Samuel told David that he was to be the next king. He anointed David there in front of his brothers and his father.

What did you **IMAGINE** David was wearing?
