

live it

Your **MISSION** this week is: to have a **humble heart**

David prayed that God would show him areas in his life that were wrong. One of David prayers is found in *Psalm 139:23-24*. Have someone read it to you.

Take a moment to pray and be quiet with God. Ask God to help you see any ways you have let pride in your life.

**Draw a picture** representing the things you thought of as you prayed. Continue to pray about those things throughout the week and be alert so that when pride starts to creep in, you will know it and choose to be humble instead.

"Though the LORD is great,  
He cares for the humble, but He  
keeps His distance from the proud."  
— Psalm 138:6

## We Hereby Decree:

Pride can keep us from having a humble heart that seeks God.

From **1 Samuel 25:1-33**, we heard the story of David and Nabal. How well do you remember the details of the story?

Circle "thumbs up" if it's **TRUE**. Circle "thumbs down" if it's **FALSE**.

Nabal was very wealthy. \_\_\_\_

David protected Nabal's property and servants. \_\_\_\_

Nabal insulted David and did not treat David fairly. \_\_\_\_

Nabal's wife Abigail was mean and wicked. \_\_\_\_

Abigail confused David by giving him bad tater-tots. \_\_\_\_

Abigail helped David realize what he was going to do was wrong. \_\_\_\_

Like David, sometimes people need help **living** humbly. Do you think it was easy for Abigail to stop David? Do you think she might have been afraid? Not only are we to be humble, we need to remind others to live humbly too.

Proud people **think** they are always right.

Humble people do what **is right**. For example, let's say your parent or teacher asks you to help put some things away that you didn't even use. A proud person would say, "But those aren't mine!" or "Sally took those out, not me." They would be right, but a humble person would say, "OK," and then help clean up.

Jesus is the ultimate example of humility and the Bible gives us a great description of His humility. Look up **Philippians 2:3-8** and draw a line connecting the example to the verse it comes from.

**Consider others better than yourself**

**Verse 5**

**Look to the interests of others**

**Verse 8**

**Have the same attitude of Jesus**

**Verse 3**

**Be a servant**

**Verse 4**

**Humble yourself**

**Verse 8**

**Become obedient**

**Verse 7**
