Episode #3

Find the stars: There are 15 stars.

SHOW AND TELL

Genesis 1:14-19

(New International Reader's Version)

God said, "Let there be lights in the huge space of the sky. Let them separate the day from the night. Let them serve as signs to mark off the seasons and the days and the years. Let them serve as lights in the huge space of the sky to give light on the earth." And that's exactly what happened. God made two great lights. He made the larger light to rule over the day. He made the smaller light to rule over the night. He also made the stars. God put the lights in the huge space of the sky to give light on the earth. He put them there to rule over the day and the night. He put them there to separate light from darkness. God saw that it was good. And there was evening, and there was morning. It was day four.

Application Points

- God made the world and everything in it.
- On day four of creation, God made the sun, moon and stars.
- Why did God make the sun?

Practice the Remember Verse with your mom or dad. Make up hand motions to go along with it.

Remember Verse: Genesis 1:31
 God looked at everything He had made, and it was very good. (NCV)

Can you find Lil'K?

Circle the items that give us light.

Put an X on the things that don't give us light.

Count how many stars are in this Map Book. Write the number in the box. Look closely, some may be hidden!
