MAP BOOK

Episode #2

Look out the window.
How many trees do you see?
Count them and write the number in the box.
Draw your favorite tree.

Genesis 1:9-13

(New International Reader's Version)

God said, "Let the water under the sky be gathered into one place. Let dry ground appear." And that's exactly what happened. God called the dry ground "land."
He called the waters that were gathered together "oceans." And God saw that it was good.

Then God said, "Let the land produce plants. Let them bear their own seeds. And let there be trees on the land that bear fruit with seeds in it. Let each kind of plant or tree have its own kind of seeds."
And that's exactly what happened. The land produced plants. Each kind of plant had its own kind of seeds. The land produced trees that bore fruit with seeds in it. Each kind of tree had its own kind of seeds.
God saw that it was good. And there was evening, and there was morning. It was day three.

Can you find Lil'K?

Remember Verse: Genesis 1:31
God looked at everything He had made, and it was very good. (NCV)

Practice the Remember Verse with your mom or dad. Make up hand motions to go along with it.

Tell your mom or dad or someone special that God gives us what we need. Look in the refrigerator. Do you see something that grew on a tree or on a plant?

Put an X on the things that didn't come from a plant or tree.

Application Points
→

God made the world and everything in it.
On day three of creation God made land, plants and trees.
How do plants and trees help us?
