SUPERHEROES**

Numbers 22

God took care of his people, the Israelites. He blessed them and made them strong. There were so many Israelites, other nations didn't want to share their land with them. One of those nations was Moab. King Balak of Moab wanted to fight God's people, but he didn't want to lose, so he decided to talk to Balaam.

Balaam loved God, and God listened to Balaam. When Balaam blessed people, God made good things happen. When Balaam spoke curses against people, God made bad things happen. King Balak wanted to pay Balaam to curse God's people. He sent messengers to get Balaam, but Balaam would not go. He knew that God didn't want him to visit the king.

King Balak's messengers kept asking Balaam to visit the king, but he said "no." Balaam knew that God didn't want him to visit the king. The messengers kept asking though, and finally Balaam said "yes." Balaam climbed on his donkey and started down the road. Suddenly an angel with a big sword appeared and blocked the road in front of Balaam. Balaam couldn't see the angel, but his donkey could. God gave the donkey super eyes, and he went the other way. Balaam was mad that his donkey changed directions!

A little further on, the same angel appeared in front of them. Again, the donkey saw the trouble and went the other way. Balaam was getting really angry! When the angel appeared again, there was nowhere else to go, so the donkey lay down. Balaam was furious!

Just then, God made the donkey speak! The donkey said, "Why are you mad at me?" Balaam answered, "You won't go where I want you to go!" Then God gave Balaam super eyes so he could see the angel with the sword too. He knew he was in big trouble!

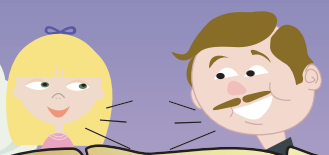

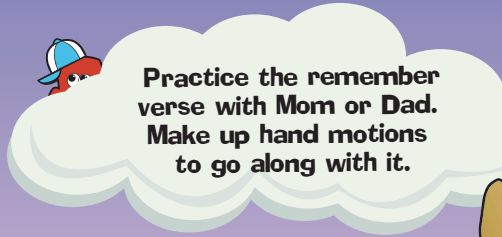

Then the angel told Balaam what to do. And Balaam listened! God gave Balaam's donkey **SUPER EYES**, and those **SUPER EYES** helped him see trouble and go the other way.
